

ARC — ADVERSARIAL REASONING COUNCIL

Charter Ratification and Principal Authority Declaration

Version 1.5 | 2026

By signing below, the Principal ratifies ARC Charter v1.4 in full and assumes final authority over all council outputs, role assignments, override decisions, and stage advancement decisions.

No council output is final without Principal review. No automated system advances ARC to the next maturity stage without Principal authorization. This declaration supersedes all prior charter versions.

RATIFICATION STATEMENT

I, the undersigned Principal, have read ARC Charter v1.4 in full. I accept the governance rules, workflow phases, evidence discipline standards, and maturity model defined herein. I confirm that I hold final authority over all council outputs and that no council decision takes effect without my explicit approval.

I authorize the council to proceed to Stage 3 (Execution Pipeline) operations upon completion of smoke test validation as specified in the ARC Stage 3 Technical Architecture Specification v1.1.
